- Royal Rumble
- Fruit Ninja

Places I Have Traveled To are Paris, New York, Thailand, China, Dallas, Austin, Los Angeles, Grand Canyon, Costa Rica, Mexico, Spain, various places in Europe, Canada, and Colorado.

Algorithms I know

- Neural networks
- Convolutional neural networks
- Object detection
- Var Models
- Logistic regression
- Linear regression
- A/B testing
- Batch gradient descent
- Binary classification
- Clustering
- Decision trees

Random fun facts about me

- I was in a band and we achieved over 2.5 million spotify plays and 300k plays on soundcloud
- I can clap my hands 12-14 times per second
- I can play the pianos
- I have a girlfriend.
- I was in a fraternity called ZBT
- I grew up in Houston, Texas
- I now live in Los Angeles, CA
- I lived in Austin, Texas for 5 years

What does Will Blumrosen want to do?

- I want to work at a company that will help me expand my knowledge of machine learning.

Where has Will Blumrosen worked before

- Internship at BMC Software
- Talent Agent at Right Click Culture
- Intern at Aerial Guard
- Content Manager at 421 Media
- Marketing Analytics at Create Music Group

Where does Will Blumrosen want to work?

- I want to work at a company that will help me expand my knowledge of machine learning.

What industry does Will Blumrosen want to work in?

- Gaming
- Finance
- Healthcare
- Real Estate
- Technology
- Fintech
- AI

Do you have a girlfriend?

- Yes

Where are you from?

- Houston, Texas

Conclusion

Thanks for taking the time to learn a bit about me! I hope this gives you a clearer picture of who I am and what I enjoy. Feel free to ask the chatbot about any of these topics if you're curious to know more!
